

(This is a copy of what you will be asked to answer for your final recommendation form, this document is not meant to be turned in)

I You Will be asked to rate each area from 1=Poor to 6=Exceptional

- Community Need:
 - Program addresses a significant United Way Funding Focus (Education, Financial Stability, Health & Basic Needs)?
- Community Impact:
 - The program will have/had a significant impact on the identified need, resulting in a positive impact on our community?
- Community Impact:
 - The program is non-duplicated effort or a collaborative effort with other community resource organizations.
- Program Reporting:
 - The program was sound and resulted in measurable outcomes which demonstrated proposed outcomes?
- Financial Management:
 - Funding had/will have a direct impact on direct client services?
- Financial Management:
 - The proposed budget overhead expenses are a reasonable percentage of the total request?
- Program Costs:
 - The grant request clearly defines the program United Way is funding and the cost of this program?
- Agency Presentation:
 - Agency presentation clarified or enhanced the written proposal?
- Organization Relationship:
 - The organization supports a year-round relationship with UW and not just a requesting presence at funding time?
